

SEC/2013/3/0085 (revised )

(vii) Comments from Programme Consultants and College responses

A summary should be given of the comments made by the programme consultants(s) for the

SEC/2013/3/0085 (revised June 2023)

*Staff Development*

- x Summarise the key areas of staff development that have occurred - CPD and research – and the impact on the development and delivery of the programme.
- x Identify any specific needs for further staff development.

The annual programme review should also contain details of the current staffing of the programme. A
